

COUNTY BOARD MEETING
SATURDAY, SEPTEMBER 25TH AT 8:30 a.m.

Columbia Pike tenants will be speaking at the public comment period about the importance of preserving affordable housing in the Columbia Pike area of the County. As many of you know, this area is facing development pressure. It also contains over 6,000 affordable apartments.

If these apartments are lost to development, Arlington will become a community where only the rich can live.

We are going to speak to the County Board, and the rest of Arlington, about why this cannot happen.

COME AND SHOW YOUR CONCERN BY YOUR PRESENCE.

THE PLENARY GROUP OF THE COLUMBIA PIKE
LAND USE AND HOUSING INITIATIVE

will be meeting this fall to consider the housing on the Pike. Watch this site for meeting dates and locations. The voices of Arlington tenants must be heard!!

Watch this site for an article describing what the Plenary Group is and its work to date.
